In G.O. No. Ms. 537 Revenue dated 1-3-1939 the Government sanctioned the employment from the date of appointment till 31-3-40 of a surveyor and two chainmen for work connected with the maintenance of the survey in the Hospet Municipality. The Commissioner of the Municipality has reported that there are a number of unsurveyed streets in the town and has recommended that as soon as the town surveyor completes the maintenance work in the surveyed streets he may be entrusted with the survey of the unsurveyed streets under the control

of the Inspecting Tahsildar. The Collector of Bellary supports the Commissioner's proposal and states that there is much work to be done in connection with the street survey. He therefore requests that the town survey establishment may be continued for a further period of one year from 1-4-1940. The Hospet Municipal Council has agreed to the retention of the establishment for this further period. The Board recommends the Collector's proposal

2. The expenditure may be met from the provision in the B.E. for 1940-41 under "7 c. Land Revenue - Land Records Maintenance of Municipal and union surveys Two-thirds of the gross cost on account of the establishment, including the cost on account of the pay of the posts, contributions for leave salary and pension and the actual expenditure incurred by way of travelling allowance and contingent charges will be recovered from the Municipal Council.
